

# January Newsletter 2025

Hello Members,

The club hopes you had a wonderful holiday season and are ready to start off the new year. Welcome new members and Thank You to returning members. Muskegon Bowmen Archery Club wanted to reach out and remind everyone that dues need to be paid if you want to continue your membership and key card usage. You can contact our membership secretary Chris Hyde at 616-638-3504 for assistance.

We really enjoyed seeing those smiling faces at the Cookies and Cocoa Santa event. Thank you Carl Lundholm and Amy Johnsen for hosting this event and thanks to all other members that helped. We hosted a Holiday Craft Fair that was a lot of fun and helped raise funds for our youth shooters and the club. In August The Club partnered with the Michigan DNR and offered Hunter/Bowhunting Safety Certification. Our Club members Joan Schultes, Amy Johnsen, Brian Davis, Hunter Johnsen, Eric Kanouff and Logan Stewart had a great time teaching all ages the art and safety of hunting. The Club hopes to continue these kinds of events in the future.

2025 will bring many Shooting events, Club rentals, Fundraising Opportunities and Social gatherings. We have many events coming up soon that we hope you will participate in. If you have any ideas for events you would like to see please let us know. One great event the club hosted was the Quilts of Valor Ceremony on November 7. Shining Star Quilt Bee presented quilts to twelve deserving veterans. Some of them you may know. Jim Press, Adam Miller, and Blake Dann are a few club veterans. The Muskegon Bowmen's Club wants to thank all who have served.

We had a great fall season with the open 3D course and plan to continue doing this. Our field Captains Hunter Johnsen and Logan Stewart are grateful for the help and always looking for members available to help out with chores around the club ranges. Work Bees are held to maintain the club and keep it safe for our members. If you have a special skill or trade that you are willing to donate your time and skills to, please contact a board member for a list of items the club need's help with.

The Club has monthly meetings that need member participation. The current and old business is discussed and future events. The next board meeting is scheduled for February 7 at 6:30pm. Muskegon Bowmen Board Elections are scheduled for March. If you are interested in joining the board please attend some meetings.

Leagues have started and are available to be seen on the website. The website is a great resource for current events and answers to most questions. If you can't find the answer on the website [www.muskegonbowmen.com](http://www.muskegonbowmen.com) feel free to contact one of the board members listed below.
